Dear Dr. Kalmanoff:

I greatly appreciated the opportunity to work with you and your staff. All contact with your group was highly professional and always a constructive experience. The Inyo County Probation Department has benefitted from ILPP's suggestions for improvement of some existing departmental functions and means of expediting other functions.

I have already received interested inquiries regarding ILPP from Plumas and Mendocino Counties. My responses to them have been very positive in regard to you, your staff, and ILPP's work product.. Feel free to use this letter as a reference to any entity you wish.

Sincerely,

Toby W. Dickinson
Chief Probation Officer
