Dear Dr. Kalmanoff:

On behalf of the Santa Clara County Probation Department, I want to acknowledge the excellent report, Program Planning for Juvenile Justice System Development, which you submitted recently. The report accomplishes the objectives of defining the population we will serve over the next five years and of identifying both facility and program needs.

Your ability to respond quickly to a complex project, provide high quality statistical analysis, and work well with the numerous agencies and individuals involved in the juvenile justice system have resulted in an informative, useful study. We look forward to implementing the recommendations.

Sincerely,

Ann Clarke
