Dear Dr. Kalmanoff:

I apologize for the delay in responding to your letter of January 5<sup>th</sup>.

Personally, I really appreciated the work of ILPP in association with the proposed Mother Lode Juvenile Detention Facility. I found your work to be insightful and thought provoking for the local participants. I'm not sure all of the local participants necessarily appreciated your frank viewpoint, but I did. I especially appreciated your work in identifying significant variations between the three counties in how their respective juveniles get into "the legal system."

It was also a personal pleasure to meet you, plus Bob Smith, of whom my mother has always spoken so glowingly. Several CAO's had told me about ILPP in the past, so it was sure fun to meet with all of you.

Sincerely,

Brent Harrington  
County Administrative Officer
