Dear Dr. Kalmanoff,

On behalf of Commissioner Ray Bayerl, Chair of the AMC General Government Committee, and all the members of the committee, I want to thank you for taking the time to address us at our September meeting. The issue of jail crowding and management is one that many Minnesota counties are currently facing. They are aware of the need for management techniques and understand they can not just build themselves out of a dilemma. Your presentation gave them a lot to think about and I heard many positive comments about your talk.

Thanks again.

Sincerely,

Kevin Corbid
