Dear Kal,

Once again, a job well done during our sessions on the ADA at the AJA Conference. The response to the program has been very positive and is clearly a reflection of the quality of your effort. Indeed, I understand there has been a request for more ADA training next year.

I am glad we were able to spend time visiting. I am especially glad I finally met Candace and Sarah. They are both incredibly talented women and a credit to your organization. I look forward to seeing you in Nashville in August and hope we have time to visit there. Again, thanks for your contribution.

Sincerely,
