Dear Mr. Kalmanoff:

The 1992 Annual Conference of the President's Committee on Employment of People with Disabilities was the most successful conference that we have ever held.

I want to extend to you a special thanks from the President's Committee for the important role that your organization played in the success of the meeting.

One of the strengths of our 1992 Conference was the provision of Technical Assistance in our Americans with Disabilities Act Resource Rooms.

The high caliber of your effort is what made the conference so meaningful for the participants. We greatly appreciate the time that you spent and for giving your expertise to the President's Committee.

Thank you for all your hard work to ensure the meeting's success.

Sincerely,

A handwritten signature in cursive that reads "Rick".
