Dear Commissioner Wheeler:

In response to your May 13 letter regarding the Institute for Law and Policy Planning, I completely concur with the response of Leon County Commission Chairman Lee Vause.

I would also point out that from the Administration's viewpoint, Dr. Kalmanoff has been exceedingly professional and easy to work with in all phases of his study. I'm sure that he has provided services well above and beyond his contracted task and continues to work with us in implementation of the Justice System Process recommendations, although that contract has been completed.

Dr. Kalmanoff has done an outstanding job to date and is providing valuable assistance to Leon County in developing our Jail Master Plan. I would recommend him highly for Indian River County.

Sincerely,

James W. Parrish
