Dear Alan:

I wanted to take a moment to review with you the work that you did for Salt Lake City Corporation. Your evaluation of the jail needs and the operation of the jail related to the operation of the entire Criminal Justice System was well done and provided useful information to begin meaningful discussions for improvement. Your ability to work with very diverse government entities helped the process a great deal. We continue to work with the entire County to improve, and the basic tool we work from is the report that you completed for Salt Lake City.

It was a pleasure to meet and work with you. I appreciate the work you did for us.

Sincerely,

RUBEN B. ORTEGA
Police Chief
