Berkeley, CA 94705

Dear Allen:

I have reviewed the finished document on the study that you conducted for the Douglas County Criminal Justice Review Committee. Thank you for sharing it with me. I was impressed with the work product that you produced and believe that your findings and recommendations are appropriately on track. I hope that the reports' recommendations are implemented. If they are, they will serve the Douglas County Criminal Justice System well.

Sincerely,

Harold W. Clarke
Director
