Honorable Gary C. Wheeler

Dear Mr. Wheeler:

My experience with the Kalmanoff study here in Leon County was limited.

I do not know what the budget for the project was, therefore, I don't know whether it was completed within the budget or worth the expense.

I am of the opinion that Alan Kalmanoff knows what he is doing and his work will serve as a catalyst for the study of and solution to local problems.

His study in Leon County related principally to jail crowding. It is doubtful that everyone involved in the system here agreed with his recommendations or is willing to cooperate in them. Given the complexity of the problem, that is no surprise.

We are presently working in several directions to address our problem and Alan helped.

Sincerely,

Hal S. McClamma
