Dear Mr. Kalmanoff:

This letter is in regard to the Assessment Study and Plan for the Criminal Justice Automated Information System, completed for Spartanburg County.

I am impressed with your knowledge and understanding, along with your associates, regarding your concept of the problems in regard to our office and the entire criminal justice system.

The meetings were conducted with expertise and I believe we are headed in the right directions in regard to the options and conclusions we were given.

We look forward to being able to implement the results of your study.

Sincerely,
