Subject: Shasta County Capital Improvement and
ADA Transition Plan

Dear Kal:

I want to thank you and your staff for your excellent work in preparing the Capital Improvement and ADA Transition Plan for Shasta County.

It was a pleasure working with the Institute for Law and Policy Planning. I was impressed with the level of professionalism of your staff at every level. They not only had good ideas, but showed an ability to work with our staff to integrate County requirements. We are very satisfied with the final product. I particularly appreciate your ability to work around our schedule and your extra trip to Redding to brief our Board of Supervisors.

Very truly yours,

William E. Lyman, Director
