Dear Kal:

I would like to take this opportunity to thank you and your staff for the work performed here in San Joaquin County. Your firm's ability to come in to a difficult situation, work on a limited budget, and within a limited schedule are a credit to both the people and the leadership of ILPP.

I look forward to working with you and your staff in the future. Please feel free to provide my name and the San Joaquin County project on your reference list for any future work that you may be seeking.

Very truly yours,

Stephen Keeter  
Capital Projects Planner
