

FRAN CARLTON
CLERK OF THE CIRCUIT AND COUNTY COURTS
ORANGE COUNTY

December 20, 1994

To Whom It May Concern:

This letter is an endorsement of the progress Orange County has made as a result of the work of Dr. Alan Kalmanoff and the Institute for Law and Policy Planning (ILPP). ILPP performed a comprehensive evaluation of the Orange County criminal justice system.

The study touched all agencies working within the criminal justice system and caused the parties to work together in a coordinated effort for the common good of all. Consequently, old practices have been updated, and new procedures have been implemented. Everyone has a better understanding of how all agencies interact to make the system work.

The process was a bit painful at times, but the result has been well worth the effort.

Very truly yours,

Fran Carlton
Clerk of the Circuit and County Courts
