Dear Dr. Kalmanoff:

Please accept my sincere appreciation for your time spent with the DLE organizational study group on Thursday. I feel that a great deal of misunderstanding was resolved regarding your report. The study group and I thank you for your candor and willingness to once again step foot in these hallowed hallways!

My comments to you and Palmer Stinson regarding the value of your report were sincere. We'll keep you posted on our program.

Thank you.

Very truly yours,

DANIEL E. LUNGREN
Attorney General
