To Whom It May Concern:

RE: The Institute for Law and Policy Planning

Dear Sir or Madam:

The Institute for Law and Policy Planning was retained to conduct a management study of the Department of Justice, Division of Law Enforcement, organization and processes. Their task required an in-depth assessment of this large, complex organization and its functionality.

The product was excellent and contributed to significant organizational enhancements.

Sincerely,

JACK SCHEIDEGGER, Chief
Bureau of Criminal Identification
and Information
