Dear Sam:

I am sorry I missed the last meeting, but I was getting ready for some serious surgery. I had the surgery in March and everything went well. I intend to be in Harris County, Texas, this summer, for the NACo Meetings.

Our Board of Supervisors commissioned a "top to bottom" study of our criminal justice system by an outside consulting firm. We are pleased with the results and if all recommendations are to be implemented over a period of one to four years, the savings to the County could be from \$1-million to \$2-million per year. The Company the County chose to do the work was the Institute for Law and Policy Planning, P. O. Box 5137, Berkeley, CA 94705, (510) 486-8352.

This Company is headed by Dr. Alan Kalmanoff, who is very experienced in this field. He would like to speak to NACo's Justice and Public Safety Steering Committee at the meeting in Harris County this summer. If you believe this may be of value, please contact Dr. Kalmanoff directly, at either the address or phone number provided.

Again, I look forward to our next meeting, and hope that Dr. Kalmanoff's experience can be of use to the Committee.

Sincerely,

Robert E. Michener, Supervisor
Third District
