

Calculated Costs & Savings of Prior ILPP Studies

ILPP has saved clients more than \$74 billion over the past 22 years.

Year	Jurisdiction	Population	Cost of Study ¹	Savings ²
2014	Bernalillo County, NM	674,221	\$50,000	\$20 Million fixed savings/year \$16 Million/year
2013	Blount County, TN	125,099	\$94,000	\$32 Million fixed savings
2012	Champaign County, IL	204,897	\$226,000	\$22 Million fixed savings \$1 Million/year
2011	Dane County, WI	509,939	\$104,000	\$23 Million fixed savings \$5 Million/year
2000 - 2010	Allegheny County, PA <i>Probation Study</i> <i>Pretrial Release Study</i> <i>Public Defender Study</i> <i>Jail Strip Search Study</i> <i>Jail Capacity Study</i> <i>Population Profile Study</i> <i>System Tracking Study</i> <i>Day Reporting Plan</i> <i>Police Complaint Form Study</i> <i>Various Systems Statistical Studies</i> <i>Other Studies</i>	1,281,666	\$434,278 <i>over multiple contracts</i>	\$100 Million fixed savings \$10 Million/year
2009	Clark County, WA	345,238	\$45,000	\$100,000/year
2007	Dane County, WI	463,826	\$140,000	\$3 Million/year
2005	St. Lucie County, FL	192,695	\$177,480	\$2.3 Million/year
2004	Sedgwick County, KS	466,061	\$98,500	\$100 Million fixed savings \$10 Million/year
2003	Greene County, MO	240,391	\$214,000	\$36 Million fixed savings \$1.8 Million/year
2003	Snohomish County, WA	606,024	\$126,500	\$1.6 Million/year
2001	Akron, Summit County, OH	531,650	\$195,500	\$2 Million/year
2000	Spartanburg County, SC	271,087	\$133,750	\$14 Million fixed savings \$700,000/year
1999	Birmingham, Jefferson County, AL	658,664	\$218,000	\$4 Million/year
1998	Omaha, Douglas County, NE	441,000	\$139,000	\$9 Million/year
1997	Salt Lake City, UT	839,896	\$98,000	\$4 Million/year
1997	Montgomery County, AL	217,597	\$211,000	\$3 Million/year
1995	Stockton, San Joaquin County, CA	504,091	\$125,000	\$11 Million/year
1994	Tampa, Hillsborough County, FL	858,552	\$20,000	\$2.5 Million/year
1994	Tampa, Hillsborough County, FL	858,552	\$247,000	\$14 Million/year
1993	Orlando, Orange County, FL	714,579	\$150,000	\$10 Million/year

¹ The cost of the study is the actual contract fee, including all direct expenses.

² Savings include cost avoidance and are calculated by adding up the savings generated by each study recommendation, including calculations for beds and courtroom days saved. Some of these savings can be overlapping and most savings, such as staffing costs for a new jail or court or police facility, reoccur annually. Please contact ILPP for more information about our calculation methods.
